Flame Retardancy:

- California 117, Section E
- NFPA 260 - 1989
- UFAC Class 1

Crypton is Easy to Clean

An independent lab tested the removal of the following stains:

Blood	Urine	Iodine	Suntan Lotion
Ketchup	Black Coffee	Milk	Cola

Most stains received a rating of 5 (complete removal); no stain had a lower rating than 4 (good removal) on both the 5 minutes and 24 hours. The results were obtained using Crypton Care line of cleaning products. Equal results can be obtained using a mixture of Tide® or Cheer® and water.

It's even easier to clean with Crypton Upholstery Cleaner

Crypton Care revolutionary new cleaners were designed for all upholstery. Follow the easy cleaning steps below:

- Most spills can be simply blotted up
- Get to the stain quickly, remove any residual debris
- Choose the appropriate Crypton stain remover
- Spray, lightly brush, then blot up the stain
- Fabric may be rinsed or extracted with water
- Try our Fabric Freshener to keep fabric free of odors
